

MARMA
LONDON

AUTUMN/WINTER COLLECTION 2018/2019

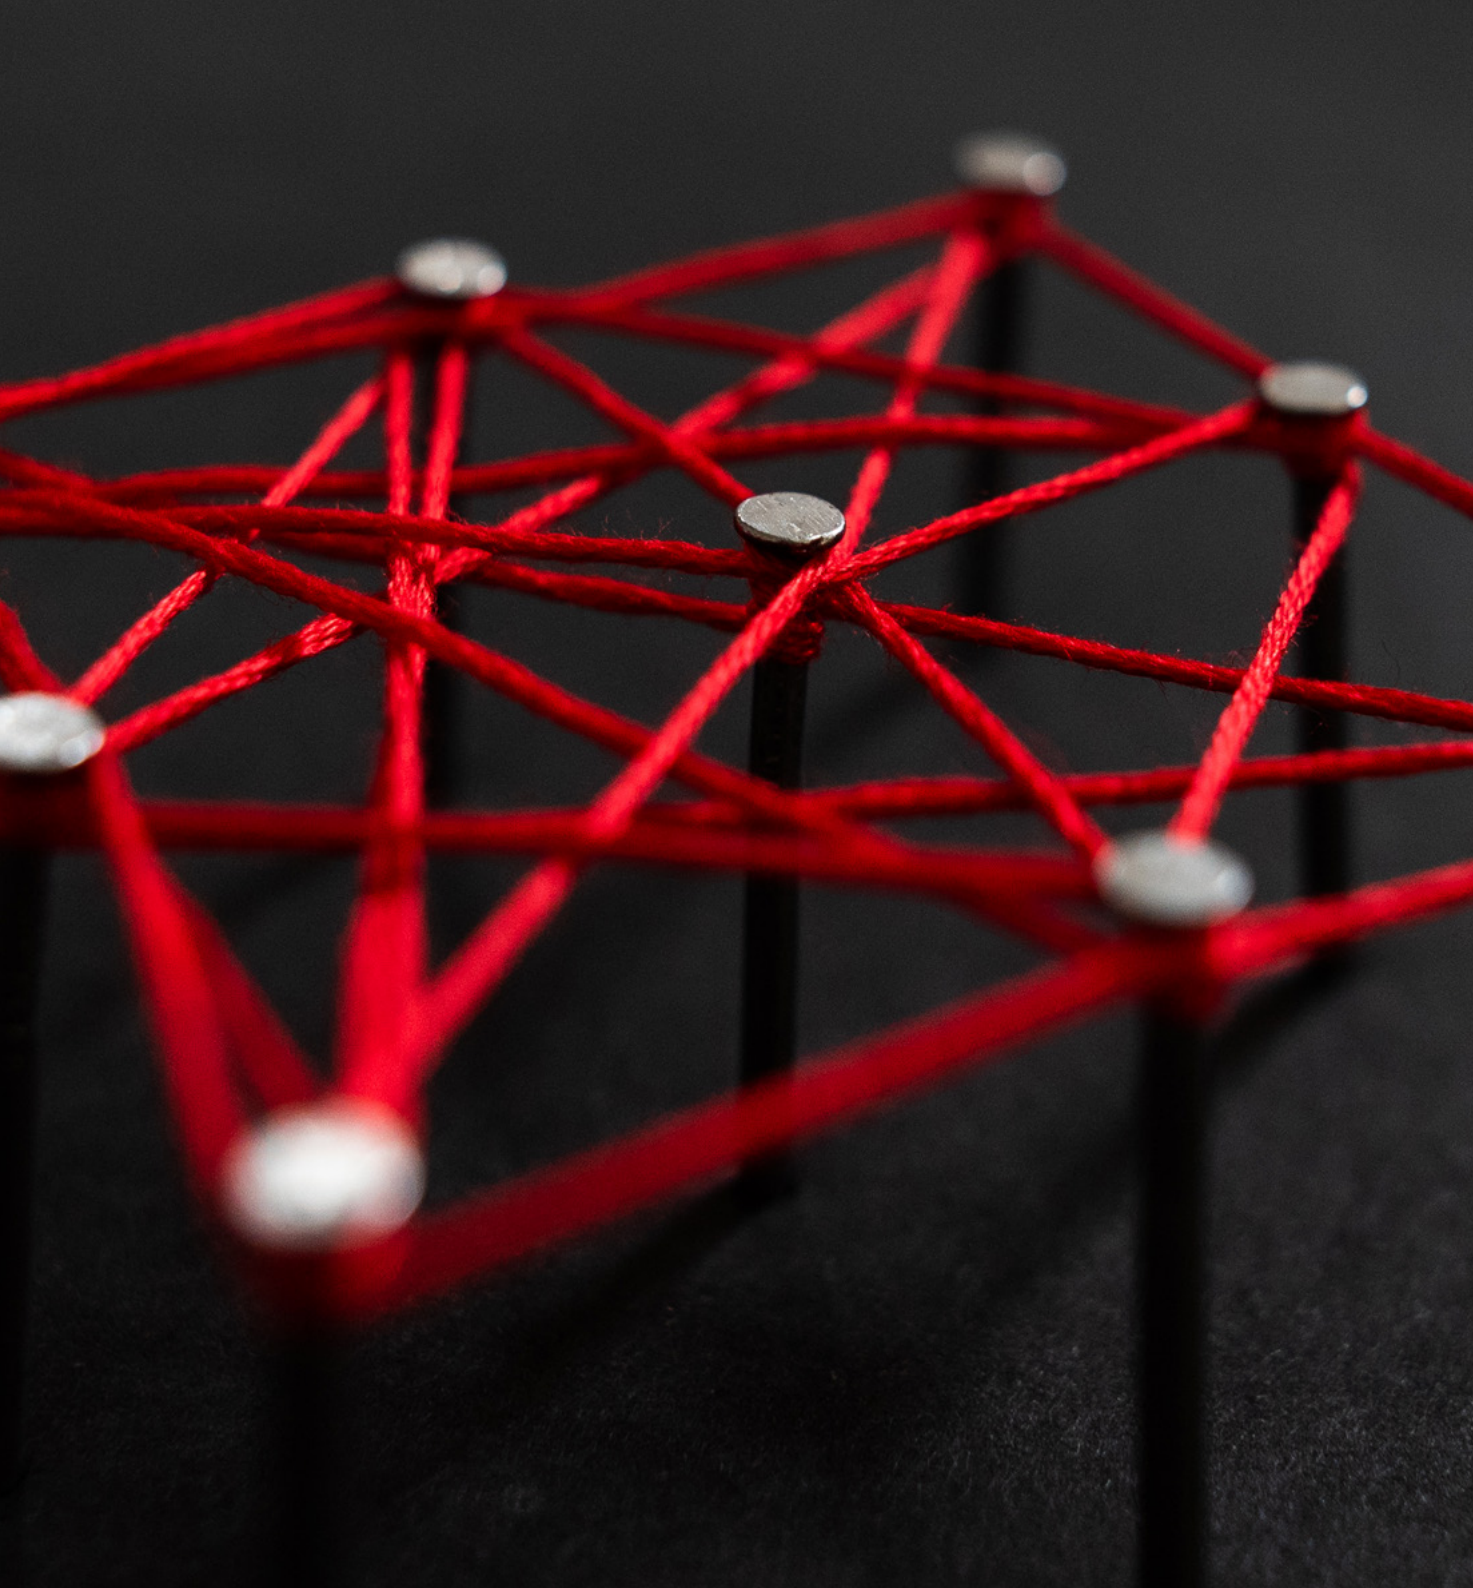

DESIGN MUST BE SIMPLE, PURE AND VERY DYNAMIC

Marma London is based in the most trendy city where luxury is sophisticated: a combination of the latest trends with a classy interpretation.

It's a young company yet with skills rooted in the past
Marma London is a combination of excellencies: London vibe, most expensive lenses in the world, frames made in Italy.

Production is hand made in the traditional way. Our key words are: Craftsmanship, Technology, Sartorial Style.
